

Wild West Quilttest Pennant Pattern

Howdy folks! We ain't to really decorate the outdoor space on Whiskey Row for our upcoming quilt show. How stinking cute will it be to have our Javalina quilts hanging on the front fence and lots of fabric pennant flags hanging outside to draw attention to our quilt show?? Cuteness overload is the goal!! Will you please help us out by making pennants with your bright, fun scrap fabrics? We will attach to the ribbon, string, etc after we collect. Instructions are below. You will need 2 pieces of fabric 8 x 9 or 1 piece 8 x 18. We will need LOTS!

1. Use the pattern below to cut out 2 flags or 1 on the fold.
2. Place flags **WRONG** sides together and sew $\frac{1}{4}$ " in from the raw edge (dashed lines on pattern)
3. Use pinking shears or pinking blade on the edges. **DONE!** Make lots and we will notify you when we and where we will collect?
