

**BLOCK 2**

Video tutorial for making this block: <https://youtu.be/wEX3K6ahtBE>

**Requirements for each block:**

8	×	2 1/2" squares	_	<b>dark</b>
6	×	2" squares	-	<b>medium</b>
14	×	2" squares	-	background fabric

**Frame:**

2	×	2k"×8k" rectangles	-	background fabric
2	×	2V"×12V" rectangles	-	background fabric

**Instructions for Block 2:**

Make half square triangles:

**Mark a diagonal line on the back of 12 background squares and place right sides together with 6 dark squares and 6 medium squares and stitch along the diagonal line.**

Cut away the corner 14" away from the stitching.

Press seams toward the colour.

(If you would like to utilise the trimmed away corners for another delicious project, you could draw a second line V2" away from the diagonal line (as shown in the diagram) and stitch along that as well.

When you trim away the corners, trim between the 2 stitched lines.)

Open out and press the seam toward the coloured triangles.

Looking at the block diagram, lay the pieces out. Join the patches up to make the blocks.

Block should measure 82" square at this stage.

Add the background frame rectangles -sides first then top and bottom.

Block should measure 12" square.
