

## Eccentric Star Quilt Block Fabric Calculator

Finished Block Size*	Fabric 1 Cut 1	Fabric 2 Cut 4 (2 at a time half square triangles)	Fabric 3 Cut 4 (2 at a time half square triangles)
6"	2-1/2" square	2-7/8" squares	2-7/8" squares
9"	3-1/2" square	3-7/8" squares	3-7/8" squares
12"	4-1/2" square	4-7/8" squares	4-7/8" squares
15"	5-1/2" square	5-7/8" squares	5-7/8" squares
18"	6-1/2" square	6-7/8" squares	6-7/8" squares

\*Finished block size does not include 1/4" seam allowances

Formula: The center unit is a square. The rest of the units are half square triangles. Cut the fabric 7/8" larger than the finished unit size.
