

Piece Sizes

Finished block size: $14\frac{1}{2}''$ sq.

Log cabin block

Use 2.5 strips

1 dark center (usually red or yellow)

1 light center

5 light strips

6 dark strips

See measurements above

Start with the center dark block, add the light block above. Then work clockwise starting with dark strips as above.

Use creams, whites for light and you can do scrappy for darks.

Block will finish at 14.5".
