1. Using the B patches make the half square triangles. Make 7 of each.

2. Using the remaining B patches and the C patches make the split quarter square triangles shown. Make 1 of each.

3. Refer to the diagram to assemble the block.

Options - if desired

1 - You may make a pinwheel using 4 HSTs (instead of 3) at the top right corner.

2 - You may make a brown stem (instead of green) at the bottom row, 2nd and 3rd blocks.
