

Retreat Lite ~ Fall 2026: October 22 & 23, 2026

Hello Retreaters,

Here's a quick run-down of what you can expect while participating during our two days together at ***TBQG's RETREAT LITE***. If you will be late or cannot make it, please let someone know so we won't worry about you.

WHAT? Retreat Lite was created as another way for the members of our guild to get together in a comfortable setting and sew. It is named "RETREAT LITE" because we simply do very little to host our participants ~ you all must bring your own sewing machines and cords, projects, meals, drinks, and, of course, your love of sewing and creating.

WHERE? We meet at the Trinity Presbyterian Church gathering hall located at 630 Park Ave, Prescott. You may park outside the first building.

WHEN? We meet on **Thursday, October 22 & Friday, October 23rd**. The room will be set up with twelve tables, each for two sewists to share. The doors open at 8:30 AM and we will leave for the day no later than 4:30 PM. PLEASE NOTE: Other rooms attached to this building are used by other groups in the evening. If you feel the least bit insecure about your belongings, please take them home at night.

WHY? Quilters seem to really enjoy the camaraderie of being with other quilters. We share ideas, give (unsolicited) opinions, laugh at ourselves, and learn from our mistakes in a safe environment. Being together lets us build our friendships and our skills.

HOW? We will set up sewing tables, ironing stations, and cutting mats with rulers. We will also hang one or two design walls for shared use. Each table will have a surge protector, but we don't mind if you bring your own. We will provide power to your table, but we must do so by using extension cords, so a table lamp may not be a great idea. Don't worry, the lighting is really good inside this hall.

The kitchen is available to you. You should plan to pack your own lunch and drinks or plan to go out and get them. You may bring your own chair if that helps you. A seat pillow is highly suggested. If you'd like to bring a treat to share, you are welcome to do so.

Lastly, please plan enough time to clean up after yourself on Friday before leaving. In the past, most sewists have cleared out by 3:00 or 4:00 on the last day. We will have lint brushes on hand to help pick up the threads.
